Expression of Interest

Site map

If you have access to the internet:

please attach an aerial/satellite photograph (obtained for free from 'DSE Biodiversity Interactive Map', 'Whereis', 'Google Maps', 'Google Images', Google Earth, or similar) of the area around the property and clearly indicate the boundary of the potential site(s).

If you do not have access to the internet:

please indicate below the location of the potential site(s) in relation to nearby roads, streams and townships. Where possible also indicate approximate distances from these features.

Other information required

1. *Please attach any photographs of the potential site which clearly indicate the type of vegetation occurring there.*
2. *If applicable, please attach details of any vegetation assessments (including species lists, ecological vegetation communities, maps) which have been carried out on the proposed site previously.*
