

Professor DAVID BRUNCKHORST

Professor David Brunckhorst is Director of the Institute for Rural Futures, an independent interdisciplinary research centre at the University of New England. While originally a marine biologist, he has worked for the past 20 years in public, private and research sectors on innovative approaches to natural resources use planning, management and policy across landscapes and multiple jurisdictions. He is author of more than 120 papers, 5 books and editor of several volumes. He is recipient of a UNESCO medal for services to ecological sciences.
